WORK EXPERIENCE

2022 - 2024 | Avanza Innovations (Currently Working)

UI/UX Designer and 3D Artist

- **As a UI/UX Designer**, my primary responsibility is to create engaging and intuitive user interfaces for digital products. I work closely with cross-functional teams, including product managers, developers, and stakeholders, to understand user needs and translate them into visually appealing designs. My role involves a combination of user research, information architecture, wireframe, prototype, and visual design.
- **As a 3D Metaverse Designer**, my main responsibility is to create visually stunning and three-dimensional models. I collaborate closely with clients, art directors, and cross-functional teams to understand project requirements and transform concepts into captivating 3D visuals.

Achievement.

- Designed 3D Experience for our Metaverse and also represented in GITEX 2022 UAE.
